## Academy Netball Scoop The Double!

One of the greatest success stories since Kajima Community have been based at Brentside are the amazing achievements made by one of our resident teams, Academy Netball Club.

The all-female group were crowned the best club netball team in the country after winning not only the National Premier Division 1 League, but also the Netball UK Challenge Cup.

Academy Netball, who have recently celebrated their 40th Anniversary, continue to grow from strength to strength, with their current squad boasting over 50 members entered into four different leagues. It is not only the first team that have been regaled with success however,

their Under 14s and Under 16s also won the London Junior League and the second team have now been promoted to the regional league. Clearly a talented bunch, Academy is always looking for skilled new players, at the youth and senior

level. If you think you have what it takes, please get in touch with Sonia Taylor, Head Coach, for information on pre-season training and squad tryouts.

## Get Fit the Fun Way, with All-Stars Soccer !

One of our longest-standing and most valued clients at Brentside High School are The All-Stars Soccer Academy, the father and daughter run football school that descend on the All-Weather Pitches during half-term breaks and school holidays.

The club, which was established by Richard Parker over 10 years ago, provides a fun and rewarding way for 5-14 year olds

to entertain themselves and keep fit out of term time. The children are divided up into groups with others their own age and benefit from expert coaching from FA qualified instructors.

All-Stars will be getting together over the Whit break and also will be based at Brentside all Summer.

There are limited place remaining in both courses, so get involved!!

Contact Richard or Jemma Parker for further information. **Contact details can be find on the back cover.**

### PARTNERSHIPS

#### Kitting Out The School Rugby Team

Kajima Community's intention is to build the best possible partnerships with our Schools, encouraging co-operation and embarking on joint projects.

During 2008 we sponsored the School Rugby Team, helping them to buy brand new rugby kits for the current season

Sam Ball, head of PE at Brentside added that:

"We are extremely grateful for the help and support that Kajima Community have offered to our sports teams at the School. Getting the new rugby kits wouldn't have been possible without the funding Kajima have provided."
