### Bookings and Enquiries

We are always looking for new groups and classes to join us here at our Ealing School sites, with choice of Brentside High School, Gifford & Ravenor Primary the possibilities are endless!

Most of our activities take place during the evenings and weekends and also in the daytime during school holidays.

We are not just here to hire out rooms, we can help you start your own class, plan an event, advise you on marketing strategies and even funding opportunities.

Once you have made your booking, we can help promote your sessions through different marketing mediums that we use.

## CRICKET IN THE COMMUNITY

As the cricket season draws to a close, Brentside's indoor cricket season is about to start! Our Brentside site has formed a 4 year partnership with the Middlesex Cricket Board (MCB) utilising the facilities at the site for cricket development in the surrounding Ealing area. The partnership will allow current cricket facilities to be upgraded to a four bay cricket net, new matting and specialist bowling machines. Community use manager Jason Stocks is delighted to form such a partnership, he said 'Middlesex will contribute significantly to school cricket and the surrounding Ealing area. To be involved with such a professional organisation is a positive move for Kajima Community'. Alan Coleman from the MCB (Middlesex Cricket Board) hopes that some of the most talented cricketers in the county will use the facilities for further athletic performance training, meaning that Brentside will become a vital centre in the development of future professional cricketers. For further information on Cricket development please contact Danni Warren on 07801 565282.

# RUGBY DEVELOPMENT

Rugby is a recent development here at Brentside. A little over a year ago Kajima Community and the Government's Initiative Sportsmatch joined forces to raise money to establish rugby at the school. The money was put towards developing rugby and as a result of this partnership they have seen it grow from strength to strength. Fully qualified coaches

have been hired to come in and work with the students. The PE staff on site also received professional training to help improve the quality of rugby taught at the school. Sam Ball head of PE said 'the courses gave us new perspectives when coaching, rugby staff and I are delighted to have received further training and assistance in this area. Smart new rugby shirts with the Kajima logo printed across the front were also purchased to kit out the school rugby teams! One student said 'it definitely gives us a huge boost, as we look and feel like a real team when we play!'

## **Welcome to the exciting world of Panther Taekwondo!**

From our preschool programs to our Panther Taekwondo fitness programs, our instructors are dedicated to helping you and, or your family achieve your individual goals.

### **Why is Panther Taekwondo so Popular?**

Panther Taekwondo is so popular because no other activity can provide the same results as Panther Taekwondo for each individual participant. Whether your goals are self confidence, self defence, personal development, fitness, flexibility or to earn a black belt, our school will take you there.

Our sessions can benefit both children and adults in some of the following ways:

- Our program teaches children discipline.*
- Our activities channel aggression.*
- Our confidence classes enhance self esteem.*
- Our program teaches essential self defence skills.*
- Panther Taekwondo is a Fun, Fulfilling Workout*

### **Our Instructors**

Rather than tell you about our championships and black belt rankings, we prefer to focus on our students. Certainly, we're proud of our instructor's accomplishments. But, we're more proud of the achievements of our students. Our instructors understand that the student's individual progress is the most important focus of their attention. That's why our instructors continue to be students themselves - they take classes, attend seminars and continually work to improve their ability to help our students reach their goals.
